

442 Clifton Road Kelowna British Columbia

Glenmore

\$975,000

This is a home that feels different from the moment you arrive -- comfortable yet elevated, functional yet full of character. A one-of-a-kind West Coast Contemporary home made for living, connecting, and enjoying every corner.

Tucked at the peaceful end of Clifton Road North in Glenmore, this multi-level gem balances warmth, intimacy, and architectural flair across four thoughtfully designed levels & multiple private patios. Vaulted ceilings & skylights flood the main living spaces with natural light, while rich hardwood floors and carefully chosen finishes create a welcoming, lived-in elegance. The heart of the home is the open-concept kitchen, dining, and living area -- effortlessly blending entertaining and everyday life. From the dining area, step out onto the upper patio with tanzite tile & glass-panel railings (2024), where subtle lake and mountain views set the scene for morning sun or lingering into sunset. Above the living room, a loft provides a stylish lounge or office space overlooking the home's core. The main bedroom level offers three well-proportioned bedrooms, while the entrance level features a fourth bedroom and a cozy family room with a wood-burning fireplace -- perfect for casual evenings, giving functional separation and flexibility for modern living. Thoughtful updates throughout -- heated foyer tiles, smart lighting, updated windows and doors, and woo...
