Kettle Valley

\$1,150,000

This Kettle Valley contemporary home blends luxury Okanagan living with striking architectural detail and a bright, polished interior. Approx. 2,384 sq ft across two levels creates easy flow, starting with an impressive main floor featuring soaring ceilings, floor to ceiling windows, and a seamless connection to the covered patio with two folding doors and in-ground pool area. The kitchen pairs sleek black cabinetry with warm wood accents, stainless steel appliances, a walk-in coffee bar area, and a large island that opens to the dining and living spaces. Enjoy in-floor hydronic heating throughout the entire main floor, office, and entryway. A natural gas fireplace anchors the room, while the glass enclosed wine cabinet adds a bold focal point. The main level also includes an office, mudroom, bathroom, and access to the garage. Upstairs, you'll find three bedrooms including the spacious primary with a modern ensuite and generous walk-in-closet. A full bathroom, and laundry room complete the upper level. The backyard sits against natural rockwork for privacy and a dramatic backdrop, the opportunity to add your own finishing touches to this 12x34 concrete pool. Located in a quiet pocket of Kettle Valley near parks, trails, schools, and the new Mission Park Shopping Centre, this home suits families or investors seeking a unique and modern property in a highly desirable neighbour...
