Exceptional Value Awaits in this stunning newer-build luxury residence, boasting 7 bedrooms & 5 bathrooms, Unobstructed Lakeviews, Triple Garage, Heated Pool, Legal Suite & Solar Panels.. The main floor unfolds in bright open-concept plan that flows onto outdoor living space, ideal for everyday life & entertaining alike. The gourmet kitchen is a true showpiece, finished with large center island, quartz countertops & premium appliances package. Walk-in pantry & wine display complete this chef-inspired space. Accent lighting & pre-wiring for speakers & security add refined, modern touch throughout. Upstairs, the primary suite offers Lakeview private retreat with a spacious walk-in closet & spa-like ensuite featuring a soaker tub, custom tiled shower & double vanity. Three additional bedrooms on this level provide generous space for family or guests, along with the convenience of upper-floor laundry. This home is equally impressive in its systems & structure: a solar panel system, 300-amp service (200-amp to the main home, 100-amp to the legal suite), & low-maintenance xeriscape yard. Outside, enjoy an inground heated pool with an automatic safety cover. Additional highlights include a self-contained 1-bedroom legal suite, a suspended-slab triple car garage with a large rec room below, & 220V EV charging in the garage. High ceilings & Natural gas fireplace. This home does need ...
