Kettle Valley

\$1,548,888

In the heart of Kettle Valley's newest community, The Lookout, this refined new build by Cherry Lane Homes blends thoughtful design with everyday function. With seven bedrooms and four bathrooms--including a 2-bedroom legal suite--this home offers exceptional flexibility for growing families or multigenerational living. Upstairs, four bedrooms include a serene primary suite with a spa-inspired ensuite and walk-in closet. On the main floor, generous open-concept living spaces flow effortlessly into a modern kitchen with a hidden pantry, while a covered patio and dedicated mudroom add comfort and ease. Downstairs, a fifth guest bedroom, mechanical room, and a 904 sq. ft. suite with private access create options for income or extended stays. Set among parks, biking trails, and top-rated schools, The Lookout offers a lifestyle rooted in nature and community. The nearby Village Centre adds to the charm, home to local shops and a rare small-town feel. Additional features include a fully hardwired security system, built-in surround sound, hot water on demand with recirculating loop, and a garage with 12' ceilings--ideal for hoists or extra storage. New Home Warranty and GST applicable. This is a home built with purpose--for connection, for comfort, and for a life well-lived. (id:6769)
