Ellison

\$1,999,900

Beyond a gated entrance, a long private driveway winds through ten acres to a remarkable log home; a peaceful country retreat where nature, privacy, and panoramic views are abundant. With over 6,000 square feet of living space, three bedrooms, and four bathrooms, this one-of-a-kind property offers an exceptional opportunity to embrace the quiet beauty of acreage living. The soaring great room features dramatic peaked ceilings and an expansive wall of windows that frame sweeping lake and valley views, inviting the outdoors in throughout every season. A feature double-sided stone propane fireplace creates a welcoming gathering place within the rustic charm of the home. Comfort is found throughout with in-floor heating on all three levels, complemented by hardwood and tile flooring in the principal living areas, and carpeting in the bedrooms. The spacious kitchen is well-equipped with a gas cooktop and prep sink built into the island, and a new refrigerator and wall oven. Outside, you'll find mature landscaping, smart underground irrigation, and open spaces create an idyllic setting for relaxing, while the hot tub offers the perfect place to unwind. The oversized detached garage features in-floor heating, a generous workshop area, and ample room for vehicles, recreational equipment, and projects. Additional features include a security system, and water filtration system. Wheth...
