

**4550 COPPER RIVER Road Terrace British Columbia**

**\$799,900**

Set on 10.5 acres, this stunning 5-bedroom log home offers the perfect blend of rustic charm and everyday comfort. From the moment you step into the inviting entryway, you'll appreciate the craftsmanship and character throughout. The beautiful kitchen is designed for both function and gathering. A unique spiral staircase serves as a striking focal point, connecting the living spaces with vintage style. Step outside to the large sundeck—freshly stained and ideal for relaxing or entertaining while taking in the peaceful surroundings. The property is thoughtfully set up for country living with a chicken coop, garden space, and a cozy firepit area for evenings under the stars. With ample room to roam and space for hobbies, this exceptional acreage offers privacy and a true sense of home. (id:6769)
