SOLID BI-LEVEL IN AN AWESOME LOCATION BACKING ONTO TREES! This FULLY FINISHED 3 Bed 2 Bath home has all the space you'll need! The vaulted ceilings and open concept give the home a nice open feel with loads of natural light! The home has many upgrades including new flooring and shingles. This home also features a 2 WAY SOLAR POWER SYSTEM and who doesn't love LOWER UTILITY BILLS! The double attached garage and large driveway provide ample area for parking and storage. This home has loads of potential for the family! Don't miss out on this great cost effective home in a great area! (j:d:6769)
