

4642 AVTAR Place Prince George British Columbia

\$849,900

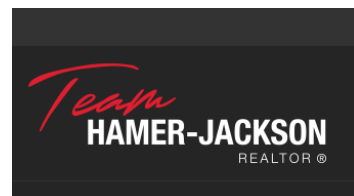

Quick possession available! Acacia hardwood runs throughout this stylish, open layout home with tasteful colours and thoughtful lighting. Soaring vaulted ceilings and oversized windows create a light, airy main living space, anchored by a dramatic stone-faced gas fireplace. The kitchen is crisp and contemporary with ample cabinetry, quartz countertops, and a generous island made for gatherings. A 1-bedroom basement suite adds flexibility with its bold blue kitchen, separate laundry, and a comfortable living area. Elevated finishings, a covered entry, stone accents, and attached double garage - all sitting on 1 acre - round out this move-in ready package; Perfect for families, multi-generational living, or supplementing your income.
