

3381 Village Green Way 47 Westbank British Columbia

Westbank Centre

\$284,900

Welcome to 47-3381 Village Green Way, a beautifully renovated 3-bedroom, 1-bathroom home in the family-friendly Village Green Mobile Home Park. Extensively renovated back to the studs, this home offers the comfort and feel of a newer home without the newer-home price tag. The renovation includes new triple-pane high-efficiency windows, added insulation, new drywall throughout, PEX plumbing and updated electrical. The kitchen has been completely transformed with custom cabinetry, beautiful live-edge countertops, soft-close hinges and Frigidaire Gallery stainless steel appliances. The bathroom has also been fully renovated with a new fibreglass tub/shower, vanity, toilet and updated plumbing. For added peace of mind, the home features a 2-year-old hot water tank, furnace, central air conditioning and heat pump. Outside, enjoy a generous yard with plenty of space for kids to play, a trampoline, gardening or your four-legged family member to run around. The lawn has also been reseeded, creating a great outdoor space to enjoy. With 924 sq. ft. of comfortable living space and three bedrooms, there is room for the whole family or plenty of space for guests, hobbies or a home office. Located minutes from shopping, restaurants, golf and recreation, this is a great opportunity for first-time buyers, young families, empty nesters or downsizers looking for an affordable, move-in-ready h...
