

4701 TUCK Avenue Terrace British Columbia
\$489,000

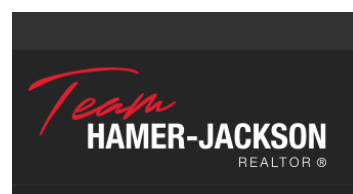

* PREC - Personal Real Estate Corporation. WOW!! This home is worth the look! The fully renovated 3 bedroom 1 bath home has been renovated from one end to the other! From the moment you walk in, you will love the large living room area (could be separated to make a dining space as well). The beautiful 2 tone kitchen has plenty of cabinets & counter space for the cooking enthusiast. At one end of the home there is a separate laundry room with a large bedroom/den off of it. The other end features the primary bedroom along with a smaller bedroom and a gorgeous peaceful new bathroom with a huge skylight, tiled shower, light up mirror. A new heat pump to keep the bills down & new hot water tank. The 24'x14' detached shop was just reroofed & is wired & insulated providing storage for your toys. (id:6769)
