

474 Hansen Street Penticton British Columbia

Main North

\$749,000

A three-level home featuring three bedrooms and two bathrooms, plus a complete suite, situated on a 30 x 117 lot with an alley, garage and RV parking. Each floor is approximately 900 sq ft. With the main floor boasting wooden floors, rounded walls and an arched ceiling in the oversized living room, a large dining area, a kitchen with an eating space, a four-piece bath and laundry facilities. The upper level includes three spacious bedrooms with updated flooring and a full five-piece bathroom. The lower level is fully finished and equipped as a suite, currently unoccupied, with full height ceilings and new windows. Recent upgrades over the past few years. (id:6769)
