

This 5 bedroom 2 bathroom home has a ton of potential, located in the horseshoe area of Terrace. There is a separate entrance to the basement and a second kitchen downstairs, along with 2 bedrooms and an office and a large living room. Upstairs there are 3 bedrooms and a large kitchen and separate dining space. Outside has a spacious back yard for the kids and pets to play, this home is definitely worth a look! (id:6769)
