NOW

COMING SOON - the SIENNA by EXCEL HOMES! If you are a family who could use one extra bedroom on the main floor (plus a full bath), a fully loaded kitchen with beautiful quartz countertops, upgraded stainless steel appliances and lots of room for a table and chairs, vinyl plank flooring and high 9-ft ceilings this is for you! 3 more bedrooms plus a great central bonus room upstairs for cozy family movie nights, and 2nd floor laundry too. There is a separate entrance to the basement, a double detached garage, and the perfect yard for outdoor gatherings or just relaxing in the sun. A smart network hub, solar panel rough-in, HVAC, HEPA filter, energy star appliances, upgraded insulation plus every EXCEL home is Green Built Canada Certified - benefitting you with lower utility costs and a quality home that will be with you for many happy memories.
