Lake Country North West

\$669,900

Hi there! I'm a charming 3-bedroom, 2-bath townhouse in the heart of Lake Country, and I'm excited to meet my new owners soon! From the moment my current owners found me, it was love at first sight. They've cared for me and enjoyed every moment of my beautiful lake view, open living spaces, and modern finishes. My kitchen is a standout -- featuring quartz countertops, a gas stove, and plenty of room for cooking and entertaining. Upstairs, I offer comfortable bedrooms, including a bright primary suite, while my tandem garage below provides generous parking and storage. I'm located in a quiet, well-kept community that's close to schools, shops, beaches, and trails -- the perfect balance of convenience and lifestyle. With some home warranty still remaining, peace of mind comes included. There aren't many homes like me available in Lake Country right now, so if you've been searching for a modern, move-in ready townhouse with style, comfort, and a lake view -- this might just be meant to be. Come see me soon -- I'd love to welcome you home. (id:6769)
