

48 Waterside Road Enderby British Columbia

Enderby / Grindrod

\$1,750,000

Welcome to 48 Waterside Road--where the river runs slow, the shop is massive, and the lifestyle is the real deal. Tucked along the Shuswap River just minutes from town, this 4-bedroom, 4-bath home has been beautifully updated on the main and upper levels--but still keeps its country soul. From the moment you arrive, you'll feel the space to breathe, room to grow, and the kind of peace only the river can bring. Step inside and head straight to the entertainment room just off the front entry--pour a drink at the bar, kick back with friends, and make yourself at home. Need to unwind? The indoor pool and sauna have you covered. And when the French doors swing open to your backyard, you'll be treated to postcard-worthy views of the Shuswap River and the iconic Enderby Cliffs--where the light dances across the rock face and the colours shift with every hour of the day. Outside, there's space for horses or livestock with fenced paddocks already in place, and a heated, oversized shop with enough room for all your toys, tools, and weekend projects. If you've been looking for a property that blends comfort, utility, and that good old-fashioned Okanagan lifestyle--this one checks every box. (id:6769)
