Big White

\$979,000

Welcome to your dream mountain escape at Big White Ski Resort! This stunning, stand-alone ski chalet combines modern luxury with rustic charm, all while offering breathtaking panoramic mountain views. The walkout lower level features a fully self-contained 2-bedroom suite with its own kitchen, laundry, and private entrance—perfect for guest privacy or generating rental income. The home is equipped with smart thermostats and a smart lock, allowing you to conveniently manage energy usage and security from your phone, helping to keep utility costs low. Upstairs, the main living area boasts soaring vaulted ceilings and an updated modern kitchen with sleek stainless steel appliances. You'll also enjoy a new washer/dryer and a resurfaced deck with a private hot tub—ideal for relaxing apres ski while taking in the majestic alpine scenery. The cozy primary bedroom on the main floor provides the perfect sanctuary, while the spacious enclosed loft sleeps up to eight with 3 queen beds, a TV, and a comfortable couch with a pull-out bed, offering plenty of space for family and friends. With convenient parking for three vehicles at both the top and bottom of the property, there's ample space for everyone. Whether you're carving down the slopes with ski-in/ski-out access via the groomed cat track just steps from your door, savoring the chalet's cozy ambiance, or unwinding by the fireplace...
