Armstrong/ Spall.

\$1,750,000

Experience your private estate acreage, a true hidden gem. Enjoy awe-inspiring views from this custom home on just under 3 acres. The property offers a one-bedroom in-law suite and a 24x36 detached shop for added convenience. Immerse yourself in the BC Lifestyle with plank hardwood flooring throughout the main living area. The living room boasts a vaulted ceiling with a wood-burning fireplace, creating a cozy ambiance with vistas through large windows. The open kitchen features custom cabinetry, stainless appliances, and ample counter space. A Butler Pantry connects to the far hallway and laundry room. Retreat to the North wing of the home and the primary bedroom with east-facing views & morning light, a walk-in closet, and a luxurious ensuite. On the South wing, find a second bedroom, a full bathroom, and a home office with access to the upper deck. Head down to the walkout basement level and discover a spacious entertainment room with wet-bar, play area for the kids, additional bedroom or craft space and plenty of storage. The lower level also offers a self-contained in-law suite, offering income potential or a welcoming space for guests or family. Basement, workshop and garage have in-floor heating. The attached garage features two bay doors at the front and a third bay door at the side. Outside, the land features tiered areas, including a 24x36 heated shop with RV hookup...
