

4850 Bassett Avenue Okanagan Falls British Columbia

Okanagan Falls

\$525,000

This is your chance to take a great start and turn it into something incredible. Nestled in the heart of Okanagan Falls, this partially built home offers uninterrupted mountain views and loads of space to bring your ideas to life. An opportunity to own a modern log home! The main floor offers bright, open living--complete with vaulted ceilings, large windows, and access to generous outdoor areas. You'll also find the primary suite with ensuite, a second bedroom, laundry, mudroom, and access to a single garage. Downstairs, the walk-out basement is framed for flexibility. There's room for a 1-bedroom legal suite with its own entrance, plus two additional bedrooms and a huge rec room--ideal for extended family, guests, or income potential. The vision is in place--now it's your turn to make it your own. (id:6769)
