

488 Sheila Crescent Kelowna British Columbia

Upper Mission

\$980,000

Welcome to this Beautifully Reimagined, Unique and completely updated 4 Bedroom + Den and 2 bathroom Upper Mission home! This home has been completely restored inside and out with a stunning NEW addition in 2019 of the Gorgeous Primary Suite with luxury 5 pc ensuite situated above a NEW double car garage. Every space was updated to today's modern, clean and beautiful finishes. Modern, sleek yet warm and inviting. The kitchen boasts bright, timeless white cabinets with modern subway tile, quartz countertops throughout with an island with extra bar seating. All bedrooms and the den are on the main floor. Perfect for families! Upgrades include but not limited to; New doors, windows throughout, New gas furnace and ducting, appliances (2019) including gas range. Upgraded insulation in walls (R24) and in attic (R60). All new bathrooms - high end fixtures and finishes + HOT water on demand. Insulated 3' crawlspace . Upgraded Electrical panel and all new wiring. Outside updates: Extensive retaining walls front driveway with added water feature. Backyard retaining walls and tiering for ease of access and to add to the LAKE AND CITY VIEWS. This home is truly unique and is at a price point that is rarely available for this quality with views in Kelowna's desirable Upper Mission.
