Welcome to 19 Bailey Place, where you can have it all!!! This desirable Whistle Bend location is a short walk from the brand new Whistle Bend Elementary School, the Aksala Place Playground (with outdoor rink!), the transit system and has private access to the vast trail system. This 1840 sq ft home hosts 3 beds, 2.5 baths, two living spaces, attached heated garage and fully fenced, zero maintenance yard. The main level showcases a large kitchen with beautiful maple cabinets, large island and high end appliances (still under warranty). Upstairs you will find the bedrooms, including the spacious primary with walk-in closet and full ensuite, as well as a cozy family room. Built by Whitewater Homes, this Super Green build has beautiful finishings and maple hardwood flooring throughout. In this home, you will have very low monthly costs, thanks to the R40 walls & R80 roof, quad pane windows and heated crawl space. Reach out for your information package today! (id:6769)
