Ski in. Ski out. Settle in. This 4-year-old, 5 bed, 3.5 bath townhome at Frosty Pines sits in Big White's Upper Village with ski-in access directly from the Highway 33 run via the Moguls ski access trail, an easy route for skiers of every age and ability. Heading out? The ski-out is a convenient 220m from your front door, connecting you to 6 lifts and all major base areas. Roughly 2,200 sq ft over three floors. The main level is made for gathering: open kitchen with a large island, dining area, living room with a feature fireplace, a powder room, and a wide covered deck. Upstairs are 3 bedrooms, 2 bathrooms and a laundry closet. The entry level adds 2 more bedrooms and a full bathroom, ideal for kids, guests or a bunk room. Picture the day: boots on in the roomy entry, first chair, then ski right back to your door. Gear stays in the garage, which is wide enough to add ski racks, lockers or shelving. Evenings mean recounting the days excitement around the island, the fireplace glowing, and snowy trees outside the windows. Soak under the stars in a hot tub of your own (not included), then wake to forested views and do it all over again. Timber-frame exterior mountain style, modern finishes inside, and only 4 years young. Currently tenanted: take over for immediate income, or close after the ski season when the home becomes vacant.
