Family-sized GREENBELT living at 5 Reliance checks the boxes and raises the bar. Offering approximately 2,500 sqft of upscale finished living, this home makes family living feel good! The main floor revolves around an open-concept living area, where a comfortable living room flows into the centre-stage kitchen with a massive island, solid-surface countertops and timeless subway tile. The family-sized dining area is ready for holidays and everyday gatherings, with patio doors opening to the covered deck and greenbelt views. A versatile den and privately placed powder room complete the main. Upstairs, 4 generous bedrooms are connected by a central landing, along with a full bathroom and loaded laundry room. The primary delivers a walk-in closet and soaker-tub ensuite. Add an oversized garage, energy-efficient construction, solar micro-gen system to the fully fenced and landscaped backyard with gazebo and top it off with direct access to paved and nature trails, this could be the one!
