

Fort Saskatchewan Alberta

South Fort

\$799,000

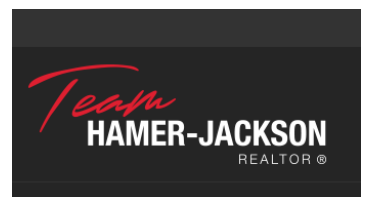

Exquisite custom-built bungalow with all the bells and whistles! Rare find in Fort Saskatchewan on a quiet cul-de-sac, partially backing a park for privacy. At 1,577 sq ft with fully finished basement, it offers high-end finishes and plenty of space for downsizers seeking single-floor living while keeping a functional basement. Stunning curb appeal includes a triple car garage and front veranda. Main floor features a bright den, warm fireplace in the living room, dining area, chef's kitchen with stainless appliances, granite counters, island, and pantry. Mudroom with laundry, 4-pc main bath, and spacious primary bedroom with TWO walk-in closets and 5-pc ensuite with heated floors. Basement boasts high ceilings, large windows, 3 bedrooms, and massive rec space. Enjoy the back deck, landscaping, central A/C, and pristine condition -- a true 10/10! (id:6769)
