

## 5010 Elliott Avenue Peachland British Columbia

Peachland

**\$1,950,000**

Incomparable 13.31 acre property featuring breathtaking lake views from the charming farmhouse and cottage. Situated at the end of a long drive, perched atop Deep Creek, surrounded by orchards and nature, this property offers profound serenity with total privacy, just minutes from the conveniences of Peachland. With 7 acres of livestock fenced land including organic peach, plum orchards, and lavender/ herb gardens, it offers an opportunity to pasture horses or land a helicopter. The lower section is highlighted by the natural beauty of two waterfalls and a swimming hole; your very own wilderness. The house preserves its original character with woodstove in the kitchen, porches, patios, and a deck off the primary bedroom. There are two additional bedrooms as well as two private offices/dens. The kitchen/dining area's sliding glass door opens onto a covered porch and patio - great for relaxing or entertaining. The cottage's large windows flood the room with light and is perfect accommodation for visitors, including a kitchen(no stove/oven), bathroom and sleeping loft. Both house and cottage boast stunning views and starry nighttime skies from their balconies. This property is zoned A1 with lots of potential for agricultural-tourism, bee keeping and many ideas based on zoning. Peachland is an idyllic community with easy access to two airports and all the amenities of the big ci...
