\$1,100,000

Perched at the peaceful end of a quiet cul-de-sac, this walkout rancher pairs breathtaking city and lake views with everyday comfort and convenience. Designed for those who appreciate main-floor living, the home's open layout flows effortlessly from the chef's kitchen--complete with a large island and spacious pantry--to the bright dining and living areas that take full advantage of the view. The primary suite feels like a retreat with its spa-inspired ensuite featuring dual sinks, a walk-in shower, and a generous walk-in closet (the kind that might make you rethink your wardrobe strategy). Downstairs, a fully finished lower level with a rec room and bar fridge is ideal for entertaining or welcoming guests, with two additional bedrooms and a full bath ensuring everyone feels right at home. Nestled in desirable Turtle Mountain, you're moments from schools, shopping, and every city convenience--yet surrounded by tranquility. Come for the view, stay for the lifestyle. (id:6769)
