

5027 46 Avenue Spirit River Alberta
\$149,900

Very cute Bungalow with 22' x 24' heated detached garage in the Town of Spirit River. This home is sitting on a double lot (60 ft wide) with back alley access. It offers 3 bedrooms (one is smaller & used for an office) and a 4 pc. bathroom. There is crawl space under the house where the furnace & sump pump is located. There have been lots of updates and repairs to make this home move in ready. Replaced items: shingles, hot water tank, some new flooring, painting, furnace repairs so everything is in working order. Right next to the garage is a 30 x 40 ft paved parking pad. The garage, parking and yard really make this a lovely property at a great price! Take a look at this gem! (id:6769)
