Perfect for a First-Time Homebuyer or Investor! This updated bungalow is located in the Heart of Gibbons, just 20 minutes from Edmonton. A beautiful two-toned kitchen with quartz counters, ample cabinets, and tile flooring is truly the heart of this home. The living room has laminate floors, large windows and a faux fireplace, creating a cozy atmosphere. The 4-pc bathroom is beautifully renovated, and the primary bedroom and 2nd bedrooms are ample in size. The partially finished basement has a framed 3rd bedroom, which could easily be completed. The yard is perfect for entertaining, boasting a large wrap-around cedar deck and fence, as well as a fire pit. The 22x36 heated garage has a separate finished workshop and provides enclosed parking for two vehicles. The large cement pad offers parking for four more vehicles, or an RV.
