Upper Mission

\$1,399,000

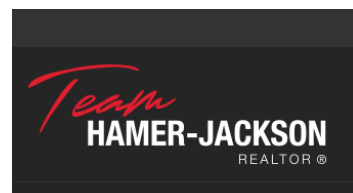

Timeless architecture, graceful details and a warmth that makes grand spaces feel intimate. This 4,000+ sq. ft. French-inspired Upper Mission home is anything but ordinary. Dramatic arches, a grand living room, double-sided fireplace and south-facing floor-to-ceiling windows create an inviting atmosphere. Enjoy morning coffee with mountain views and glimpses of Okanagan Lake. Outside, a stone patio, irrigated gardens and sprawling lawn invite summer gatherings, with room for a future pool. Fresh paint, hardwood and tile floors, and a renovated upstairs bathroom add appeal. A separate-access, non-conforming one-bedroom suite with its own spacious outdoor patio, oversized double garage and RV parking offer flexibility. Best experienced in person. Options to add more bedrooms on the third level. (id:6769)
