

509 Curlew Drive Kelowna British Columbia

Upper Mission

\$1,194,900

This exceptional Upper Mission 4-bedroom, 3-bathroom home effortlessly blends comfort and sophistication, making it perfect for both family life and entertaining. Inside, soaring 11-foot vaulted ceilings and brand-new carpets enhance the open-concept design, seamlessly connecting the gourmet kitchen, dining, and living areas. The chef's kitchen boasts maple slow-close cabinets, new stainless-steel appliances, a double Corian sink, a tumbled marble backsplash, and a spacious pantry. Expansive glass windows bathe the home in natural light, highlighting the stunning surroundings. Step outside to a beautifully landscaped, south-facing backyard featuring tiered rock walls, an underground sprinkler system, and ample space for a future pool. Enjoy your extended, covered patio, ideal for outdoor entertaining. The master suite offers a spa-like retreat with a jetted tub, double sinks, and a step-in shower. A second main-floor bedroom with its own full bath provides versatility as a guest suite or home office. Downstairs, a spacious recreation room—pre-plumbed for a wet bar—presents endless possibilities, along with two additional bedrooms and a full bath with a jetted tub. There's also potential for a future in-law suite, expanding your living space. An oversized double garage provides ample storage. Located near top rated schools, scenic hiking trails, renowned wineries, and the b...
