

5109 27 Avenue Vernon British Columbia

Westmount

\$450,000

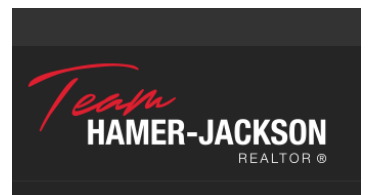

Great opportunity to own 0.26 acres with a real fixer-upper home on a large lot near shopping, schools, transit, and amenities. Filled with character this home has 2 bedrooms and a den, 1 bathroom with an old bear claw tub, and a stone fireplace at its heart left as a historic reminder of a time now past. Ample parking for an RV, work vehicles, and guests. This property is an excellent opportunity for an investor or builder. (id:6769)
