

5168 Morrison Crescent Peachland British Columbia

Peachland

\$1,075,000

Introducing to market, this 4 bed/3 bath home on one of the most sought after streets in Peachland. Combining the perfect amount of Character, Charm and Class. With Main floor living to include a family room off the updated kitchen and separate dining and living area to enjoy and entertain with a gas fireplace. Upstairs hosts 3 bedrooms with the primary bedroom leading out to a private deck completely redone with Lakeview's and a spiral staircase to lead you to the pool deck. Not to mention a full renovation on the primary ensuite with soaker tub, heated floors and a separate spa like walk-in shower. There is an option for an office or 4th bedroom on the main floor as well. The interior flow of this home has a wonderful feel to it from the moment you walk in, and a backyard oasis complete with an inground pool, mature landscape, fully fenced with a grassy area and large patio to welcome all the friends and family in this ideal space. The neighborhood is situated on a flat street with a community park at the base of amazing walking trails. This home has been well maintained with a pride of ownership, to include all the big ticket items being recently updated; to include roof, furnace, A/C, hot water tank, kitchen appliances, pool heater and the list goes on. Close to shopping, schools, restaurants, marina's and all that Beach Ave and Peachland have to offer. RV/Boat Parkin...
