

5174 Morrison Crescent Peachland British Columbia

Peachland

\$925,000

Beauty and tranquility define this fully fenced backyard oasis, where mature trees, lush gardens and decking create privacy designed for relaxation and entertaining. The landscaping is established and thriving—simply maintain and enjoy. A pond water feature, mature fruit trees enhance the setting. Ample parking accommodates RVs and boats, with convenient easement access to the rear yard providing additional space behind the fence. This exceptional 2,700 sq. ft. residence offers 4 bedrooms, including three upstairs and a versatile main-level bedroom currently used as a den or office. The open-concept design spans the rear of the home, filled with natural light from expansive windows and walkout access. Stunning solid wood custom kitchen and double oven anchors the space, complete with a generous eat-in area and adjoining family room with gas fireplace. An elegant dining room with coffered ceiling and pocket door connects seamlessly to the kitchen, while the vaulted living room features a second fireplace (currently unused). Retreat to the oversized primary suite with its own sitting area overlooking the serene backyard and views of Okanagan Lake. Located minutes to Peachland's waterfront, Beach Avenue shops and restaurants, parks, and hiking trails—only 10 minutes to West Kelowna. Many major updates including: Poly B plumbing replaced in 2024, ceilings refinished, fresh int...
