

519 HALL Street Nelson British Columbia
 Nelson
\$549,000

This up down duplex is in the heart of town but tucked away in a treed park setting. Walk to work and all the coffee shops in a heartbeat and watch the goings-on in the Hall Street plaza from your verandah. The home has undergone many upgrades over the time of ownership. The upper floor suite has 3 bedrooms, 1 bath, laundry and a front verandah/porch and a rear patio as well as a side yard that is treed and can be terraced for additional seating space. 2 Bedroom 1 bath lower suite is ground-level entry with front patio. This home has been tenanted long term and the tenants want to stay on. A great opportunity for investment. (id:6769)
