If you are looking for a quiet family friendly community that is close to amenities then White City is a great option. White City has two Elementary Schools, Grocery Stores, Restaurants - less than 10 minutes from Regina. This beautiful two storey home sits on a large lot with views of the Aspen Links Golf Course. As you enter the home you will be engulfed by the natural light that flows through the large windows. The main floor has brand new waterproof + pet proof laminate that recreates the look of oak hardwoods. The living room and dining room space gives you ample room for entertaining and the gas fireplace will keep you cozy all winter long. The kitchen has Corian countertops and stainless steel appliances - including a new gas range. To increase storage and functionality the walk-in pantry has Store-X shelving. Completing the main floor is a renovated 2pc powder room. On the second floor you will find 3 VERY large bedrooms, 2 full bathrooms, and laundry. The primary bedroom has a balcony where you can soak in the evening sunsets along with a 5pc ensuite and a walk-in closet. The ICF basement has been fully developed and has in floor heat and 9ft ceilings. The family will enjoy spending time in the family room and games room area which is roughed-in for a wet-bar. You will also find a 4th bedroom and a 3pc bathroom that has rough-ins for additional laundry. Finally, fre...
