

520 Clifton Lane Kelowna British Columbia

North Glenmore

\$1,289,900

PRICE REDUCED!! Come & see this stunning & IMMACULATE high end home, perfect for someone wanting a smaller footprint. It's ideal for those who value contemporary design & designer finishings. This is the BEST alternative when compared to condo living downtown, with the added benefits of your own land and having a yard, great outdoor living and a large double garage. Here, the focus is on you & entertaining, outdoor living, and enjoying what the Okanagan lifestyle is all about. Located in the esteemed neighbourhood of North Clifton Estates, surrounded by nature & close to the beach, it is truly one-of-a kind. With a sunken living room & large professional chef's kitchen, the sliding doors open onto a patio that is ready to customize with the outdoor add-ons of your choice ~ outdoor kitchen? Hot tub? Swim spa recessed into the upper deck? Modest in size, this home offers all you need with two bedrooms & two bathrooms ~ although you could add a third bed, just ask us how! The primary boasts a luxury en-suite an upper ""private retreat"" deck, where you can set up a coffee bar, yoga mat & some lounge chairs. The second bed works great as a flexible guest room & office. Garage is wired for an Electric Vehicle charger and has epoxy flooring. Immediate possession available. Built with exceptional attention to detail & quality craftsmanship, by Douglas Lake Custom Homes. We invite y...
