

5200 Cobble Court Kelowna British Columbia

Upper Mission

\$1,150,000

Tucked away on a quiet cul-de-sac in Kelowna's Upper Mission, 5200 Cobble Court is a warm and welcoming rancher that offers four bedrooms, three full bathrooms, and a fully finished walkout basement. It's the kind of home that feels comfortable the moment you walk in. The main floor has a bright, open layout with plenty of natural light, vaulted ceilings and great views. The kitchen has granite countertops, stainless steel appliances, and a large island that makes a perfect spot for casual dining or entertaining. Hardwood and tile floors run throughout the main living areas, adding a nice touch of character and durability. The primary suite comes complete with a walk-in closet, large rain shower, and a soaker tub. Downstairs, the finished basement adds a ton of extra living space, including a big rec room, two more bedrooms, and a full bathroom. There's direct access to the backyard from here too, making the basement feel just as bright and open as the main level -- perfect for guests, teenagers, or a home office setup. The beautifully landscaped yard is easy to enjoy with both an upper deck and a lower patio. The double garage offers lots of parking and storage, with enough driveway space for your RV. You're close to great schools and outdoor recreation, but still tucked into a peaceful spot with very little traffic. If you're looking for a home that's spacious, flexible, a...
