Set on 4.55 acres of open space, out-of-subdivision- this charming countryside property features a character-filled home estimated to be built in the 1950s. While the interior remains largely original, key upgrades over the years include the shingles, furnace, and hot water tank. The home offers a functional layout with a 4-piece bathroom on the main floor and a 2-piece bathroom upstairs. Additional highlights include a drilled well and a recently installed septic tank and field. Whether you're looking to restore, renovate, or rebuild, this property offers a great opportunity in a peaceful rural setting. (id:6769)
