

5203 Clarence Road Peachland British Columbia

Peachland

\$1,549,900

Exceptional Okanagan Lake views and sophisticated design define this remarkable Peachland residence. Spanning nearly 3,800sqft, this four bedroom home is designed around the beauty of its setting, with sweeping lake views from nearly every room. Soaring ceilings and abundant natural light create an airy, refined atmosphere, with the living room making a statement with its striking 14' high decorative ceiling and expansive views. The sleek contemporary kitchen features a Thermador range and refrigerator, complemented by high end stainless appliances. The generous primary suite offers a remarkable walk in closet, while the secondary upstairs bedroom provides flexibility for guests or an elegant private office. The lower level is equally impressive, featuring a huge recreation & family room, two bedrooms, a gym, and a dedicated wine cellar and bar. Two levels of outdoor living make the most of the setting, with an expansive upper patio and a walk out lower patio leading to a beautifully finished backyard with stamped concrete, gazebo, low maintenance turf, and a charming fountain. A built in sound system extends across the main floor, lower level, and patios. An oversized garage with tall ceilings provides exceptional space for vehicles, recreational equipment, and storage. Beautifully appointed and thoughtfully designed, this is elevated Okanagan living with the views to match...
