SASK MLS®

Welcome to 523 King Street. This great character home has seen tons of updates. Sitting on a huge lot, the curb appeal of this home catches your eye right away. Inside has been totally renovated, and sports a classy charm. The kitchen features custom cabinets with tile backsplash, a large pantry and laminate flooring that runs throughout the home. There is a breakfast nook just off of the kitchen with tons of light to enjoy your morning coffee. There is also a dining room perfect for the large family table. Beside the dining room is laundry room inside of a custom 3 piece bathroom. The large living room is at the other end of the main floor. There is direct access to the back yard through the patio doors off of the living room and dining room. Completing the main floor is an office and another custom bathroom. The 2nd floor is a great layout, with 4 large bedrooms and a full bathroom. There has been a lot of work done to modernize this great character home this is your chance to make it yours (id:6769)
