

525 VANCOUVER Avenue Penticton British Columbia

Uplands/Redlands

\$3,295,000

Don't miss this opportunity to own this spectacular custom home on Vancouver Ave! This 4,507 sq ft home features unobstructed views of the Okanagan Lake, has a large patio with pool, home gym, theatre, and a wine room for all of your entertaining needs! Walk in your front door and take in the views and everything this home has to offer, including a large kitchen with oversized island and open concept living/dining. The main floor also contains your double laundry room, office, and spare bedroom. Your large master suite encompasses the entire second floor as the ultimate retreat. Take in the fantastic views with a soak in the soaker tub or enjoy your morning coffee on your private master suite balcony. Downstairs there are 2 additional bedrooms each with their own bathrooms, the theatre, gym, wine room, and additional balcony through the gym. This is not to be missed! (id:6769)
