

Whitehorse South Yukon
\$1,249,000

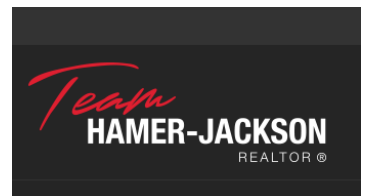

Escape to your own private retreat with this exceptional 16.98-acre property. Offering space, privacy and endless potential, this unique property is fully subdividable and perfectly suited for hobby farming, gardening, multi-generational living, or a home-based business. The property is exceptionally well equipped with main home boasting 3900 sq ft, open concept with two bedrooms on main, spectacular cherry kitchen that would be the envy of those that like to entertain. Full basement with rec room, family room, den, office, and even a cold room. Two detached guest cabins, a chicken house, Quonset garage, greenhouses, and raised garden beds. This is a rare opportunity to enjoy country living with room to grow, all within easy reach of city amenities. A truly versatile and one-of-a-kind Yukon property. (id:6769)
