SASK MLS

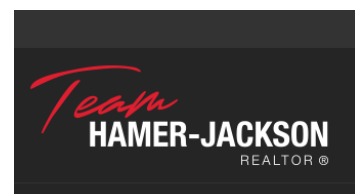

Situated on a huge lot, on a quiet street, this sprawling bungalow has so much to offer. The yard is amazing and offers plenty of room to install that big garage of your dreams. The main floor consists of a large updated kitchen with custom cabinets, and plenty of counter space and tons of natural light. The kitchen opens up to a great dining area with big beautiful windows. There is a massive living room area, big enough to house the largest of furniture. Down the hall you will find a full, custom tiled bathroom, two spare bedrooms, and the master bedroom with a two piece en-suite. Downstairs you'll find plenty more room with a good sized family room, a nicely finished three piece bathroom, another bedroom, and a room currently being used as a salon, but could easily be made into a 5th bedroom.
