

5355 Trepanier Bench Road Peachland British Columbia

Peachland

\$3,880,000

FOR SALE BY COURT ORDER. Presenting the historic Hainle Vineyards Winery property. As Canada's first producer of icewine in 1978, this historic winery is located on a beautiful Peachland hillside with breathtaking Okanagan Lake views. Planted with Riesling, Zweigelt, and Pinot Noir, the approximately 4 acre vineyard on the over 12 acre property features original old vine Riesling growing strong. Not in the ALR and fully serviced, this special property presents the perfect opportunity to either redevelop, build out as a unique vineyard residential community, or breathe new life into the existing winery operations. The 1985 built and recently renovated approximately 6,055 square foot winery building contains a crush pad, production facilities, barrel room, tasting room, commercial kitchen, patio with a breathtaking view, VIP tasting lounge, public washrooms, office space, and unauthorized accommodation suite. There is no residential home on the property. Sold through foreclosure as property only, the business assets (winery license, trademarks, brand, equipment, inventory) could be purchased from the residential owner in a separate agreement outside of the court process. No guarantees as to ability to purchase business assets. Showings by appointment only. We respectfully ask that you do not disturb the business staff. Please present all offers by October 19th at 5 PM. All off...
