

## 5386 Tanager Court Kelowna British Columbia

Upper Mission

**\$2,498,000**

Perched in the highly sought-after Upper Mission, this exceptional luxury residence offers over 6,000 sq. ft. of beautifully designed living space, breathtaking views, and privacy in an established neighbourhood. Dramatic ceilings, oversized windows, and expansive walls ideal for showcasing art create a stunning backdrop throughout the home. The chef-inspired kitchen features premium finishes, abundant workspace, and a dream butler's pantry designed for effortless entertaining. The main-floor primary retreat enjoys panoramic lake and vineyard views, a private balcony, spa-inspired ensuite, and expansive walk-in closet. A beautifully appointed den or office with its own entrance opens to the lush front garden. The walkout lower level is designed for entertaining and relaxation, featuring a spacious recreation room, wine room, games room, media room, three generous bedrooms, and two full bathrooms. Outside, enjoy a private patio with hot tub and landscaped gardens. Expansive covered decks showcase unforgettable Okanagan sunsets over vineyards and Lake Okanagan. A triple-car garage, RV hookup, and ample parking complete the package. Steps from Lebanon Creek Greenway and minutes to hiking, boating, swimming, golf, wineries, and amenities, this remarkable property offers the ultimate Okanagan lifestyle. (id:6769)
