

5450 South Perimeter Way Kelowna British Columbia

Kettle Valley

\$1,159,000

Truly spectacular Kettle Valley former show home by Kentland Homes, 4 Beds 4 Baths, over 3900 sq ft, nestled in the award-winning neighborhood. Showcasing custom craftsmanship throughout, this residence boasts tray ceilings, elegant arched doorways, and sweeping panoramic views. The bright, open-concept kitchen features granite countertops, stainless steel appliances, gas rang & eating nook that flows seamlessly into the family room—perfect for everyday living. A separate formal dining and living room/office offer elegant spaces and functionality. Upstairs, the luxurious primary suite includes private deck with view, spa-like ensuite, and generous closets. Two additional bedrooms each feature large walk-in closets. The walk-out lower level offers large rec/games room, fourth bedroom, full bathroom, and access to private patio with hot tub overlooking lush landscaping and park. With features like a surround sound system, security system, cold room storage, and double garage. Short walk to Chute Lake Elementary, Kettle Valley shopping center & picturesque parks, tennis court, Quilchena water park, and scenic hiking trails. Revel in the joys of family living in this award-winning community! Home has suite potential, also has potential to add 1-2 bedrooms. (id:6769)
