

**54665 JARDINE Road Cluculz Lake British Columbia**

**\$529,000**

Year round waterfront home with a stunning view on Cluculz Lake, located only 25 minutes to Vanderhoof and 35 minutes to Prince George. Some of the features of this beautiful property include a nice clean beach, a boathouse and dock on the waterfront, a detached double garage with an attached carport, a greenhouse, and an outdoor wood boiler to help keep the home cozy during the cooler winter days. You can enjoy the lake view from almost every room in the house, or relax and admire the scenery from the wrap around sundeck. The open concept design and layout of the home was designed so that you can appreciate the tranquility of lake living whether you are inside or out! All new windows were installed in 2023, and there is a daylight basement that leads out to the lake access. (id:6769)
