

Whitehorse Yukon

\$949,000

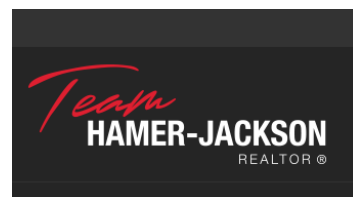

The perfect home for a large family with detached Quonset garage/shop, and a legal suite for in-laws or to subsidize income. Sitting at the top of a quiet street, this 4 bedroom family home with office/den and lower level family room has great appeal. Recently upgraded with hardwood floors and newer flooring throughout, plus refreshed paint. Spacious upper level has bright kitchen with tile backsplash, large island eating bar, dining area with access to rear deck and huge fenced backyard with lawn, concrete patio, area for firepit, and lovely rock terraced planting area along the back fence. Lower level has 4th bedroom, laundry, den (that is currently used as a gear room), and a large family room with a complete wall of attractive storage space. Legal Suite has own side entry and has lovely maple kitchen & dining, bedroom area, 3/4 bath and its own laundry. This turn key revenue generating property could check all your boxes! (id:6769)
