

This beautifully upgraded nearly 3000 sq ft home offers exceptional style and comfort on a quiet family-friendly street. Featuring 4 bedrooms up, including a massive, stunning primary suite with walk-in closet and ensuite, a large bonus room, redesigned upstairs laundry, main-floor office, and full bathroom, it's perfect for growing families and those wanting a wow factor. The renovated kitchen includes newer high-end appliances, a bar fridge and walk through pantry. New paint, new top of the line carpet, updated lighting, modern finishing and many more thoughtful updates, 9 ft ceilings, A/C, and a finished, heated triple garage. The landscaped backyard features a new high-end concrete patio overlooking private green space--ideal for relaxing or entertaining. Within walking distance to a K-9 school. Move-in ready, packed with features and fantastic curb appeal. It's the perfect blend of luxury and functionality! This exceptionally clean and well-maintained home has to be experienced to be appreciated. (id:6769)
