

5532 Farron Place Kelowna British Columbia

Kettle Valley

\$1,319,999

Set on a large corner lot in the heart of Kettle Valley, this home brings together timeless character, a functional layout, & the lifestyle that makes this neighbourhood so loved. With cedar & hardie siding & a classic wrap-around porch, it feels welcoming before you even step inside. The main level is designed for real life. A versatile front room off the entry offers flexibility--ideal as a home office, playroom, or reading lounge. The living room is anchored by a fireplace, built-in cabinetry & detailed wainscoting, adding charm & craftsmanship. The kitchen is the heart of it all, perfectly positioned for daily routines & entertaining. Featuring a gas range & walk-in pantry, it opens seamlessly to the dining area & outdoor spaces--ideal for both hosting & busy evenings. Step out to the backyard where summer dinners, morning coffee, & late-night hot tubs naturally unfold. Outside, the property truly sets itself apart with a rare detached shop complete with an industrial heater & the ability to be closed off from the garage. Whether for projects, storage, or year-round use, this is a standout feature for buyers who need more than just a garage. Upstairs delivers the layout every family hopes for, with three bedrooms together including a generous primary suite with walk-in closet & ensuite--designed for both connection & privacy. The lower level adds versatility with a larg...
