

5546 Upper Mission Drive Kelowna British Columbia

Upper Mission

\$2,499,900

Welcome to paradise! New but no GST 'Builder's Home' with amazing lake views located across from green-space, pool with privacy screens and auto cover, 3 Car Garage with epoxy floor, roof top patio, 5,000+ ft and 5 bedrooms offer the next level in modern home design and finishing - with a legal suite - and quick possession possible! From the triple pane windows and exterior doors, to the 6 zone sound system, to Sonneman lighting package, to solid core 8 ft doors and beyond - the quality is exceptional! From the moment you enter the grand foyer you are drawn to the panoramic lake and city views and the open concept dining / living / kitchen with 13 ft ceilings flows to the large covered deck with stairs to rooftop patio and entertaining space overlooking the in-ground pool. Fireplace feature wall will impress with White Oak and Dekton, and the chef-inspired kitchen with 14 foot island is the center of all gatherings: high end wide plank hardwood floors meet Dekton waterfall counters and custom crafted Shinnoki white oak cabinets. The opulently appointed primary suite and 2 other bedrooms on main feature Stanton plush carpet. With 3 Beds Up, this is perfect floor plan for a busy family, or, those seeking home office space. Lower floor offers an impressive white oak wet bar with LED lights, Rec room, 4th Bedroom, access to the pool deck and yard, and well appointed media room! ...
